The train screamed past	Alliteration	A wave of terror washed over him	Her room looked like a war zone	The classroom was a zoo
Sally sipped slowly on her tea	He felt like a hero	The snow was like a blanket	Snap crackle pop	Bing!
The sausages went sizzle	The wind howled in the trees	FREE	Chaos is a friend of mine	Smash
Love is a battlefield	He clattered & clashed the dishes	Milly & Lilly are a perfect pair	The guns roared ferociously	My flowers were begging for water
The camera loves Nahla	The old lady ate like a bird	The circled like vultures	I like going to school	Matt makes marbles on Monday

I like beautiful red roses	She had a heart of stone	Milly & Lilly are a perfect pair	Her voice was music to the ears	Don't bottle up your anger
Facebook	She smiled a sugary smile	Sam sells seashells	Pam purchased paper plates	Brook is like a computer at Maths
The sausages went sizzle	The fire raced through the woods	FREE	Love is a battlefield	Maya swims like a fish
The snow was like a blanket	Bing!	The wind howled in the trees	The sneaky snake slithered	Beep beep
Smash	Chaos is a friend of mine	Matt makes marbles on Monday	He is a night owl	Her room looked like a war zone

The sneaky snake slithered	The calm lake was a mirror	Tim takes time to teach	The flowers danced in the breeze	The circled like vultures
Snap crackle pop	The guns roared ferociously	Don't bottle up your anger	He ate like a vacuum cleaner	Sam sells seashells
He felt like a hero	The camera loves Nahla	FREE	She is an angel	Beep beep
Love is a battlefield	A wave of terror washed over him	Pam purchased paper plates	She smiled a sugary smile	The train screamed past
Enjoy the journey of life	Zoom!	Words are wounding weapons	He is a night owl	Brook is like a computer at Maths
