remember me	Almost there	Once Upon a Dream	make a man out of you	be our guest
I Won't Say (I'm in Love)	poor unfortunate souls	heigh ho	Bibbidi-Bobbidi-Boo	let it go
part of your world	shiny	FREE	Go the Distance	a friend like me
a spoonful of sugar	one jump ahead	bare necessities	When Can I See You Again?	colours of the wind
Oo-De-Lally	How Far I'll Go	kiss the girl	when will my life begin	I see the light
