

I've had sexual activity...

with hair pulling	giving or receiving anal	involving a butt plug	with a complete stranger	wearing or using a collar
in a threesome or more	with an HEC group member (current or previous)	whilst tied or with somebody tied	in a club	with 15 years younger
with a strap-on peg or dildo	with squirting (done or caused)	with two HEC group members	in a field or woods	involving water sports
involving wax	with a member of opposite sex	rimming or being rimmed	involving food	whilst being filmed by somebody else
involving flogging whips etc.	in a group of five or more	with 15 years older	without speaking	involving a ball gag
