

B	I	N	G	O
Your brother has come	"I have sinned before Heaven"	Lost Son	The Father ran	Prodigal
He meets us halfway	Worthy	Restore	All I have is yours	Swine
What was dead is alive now	Your brother has come home	FREE	Divide our inheritance	No longer slave but a child
Once I was lost now I am found	Wasted his livelihood	Precious and valuable	Music and dancing	Put a ring
Make me your servant	He had nothing	Run to the Father	fatted calf	I have been here all along
