When Surabhi finally got inside her fingers were ice	Abram's backpack weighed a ton!	He's a bubbly bawling baby boy	The dentist got a cavity from not brushing his teeth	Nicole's dog's fur was as black as night
Ella clanged the bell to signal it was dinner time	The train whistled happily across the snow	Selah felt like she had a million things to do today	Ahana's room was a sauna	The bee buzzed lazily around the flower
The smell hit DJ in the face	Zamyrah could hear the brownies calling her name	**FREE**	Ashley sat by the fire with only the sound of crackling embers	Julie is a night owl
Matt's eyes twinkled like the stars	The inchworm moved like an accordion	Mollie's mother makes marvelous meatloaf	James took one bite of the sour lime and his lips began to pucker	Ryan dropped the mirror and it crashed to the floor
Jack smelled the buttery light popcorn as soon as he went inside	Caden crawled crazily quick on the carpet	She is trying to avoid a water gun fight but slips into a puddle	"Oh just what I need!" when realizing I forgot my keys	Evan was so hungry he could eat a horse
