Something that screams "it's spring-time"	A bird flying	A rock that has a crack in it	Muddy shoes	A waterfall
A person carrying an umbrella	Something that looks like a face (e.g. if a rock has cracks in it that makes it look like it's frowning)	Film yourselves singing any hiking song	A critter	Group selfie!
Someone jumping in a puddle	Take a close-up picture of something (we will be sharing later!)	FREE	A dog (min 3 photos)	A trail with someone walking on it
A tree with leaves	Mushrooms	A tree with no leaves	A stream	Film a short "nature documentary"
A rock with stuff growing on it	A person "manipulating" the environment through a photo (e.g. "pinching" a tree)	Goofy group photo	The sky	A pond
