

I've had SEX

on top of a hill or mountain with a view	At work	Under the table	in the shower	in every room of the house
On the kitchen counter	on the beach	in front of my pet(s)	In front of strangers	in the rain
in the woods	on top of a washing machine	RTC 2018	In the club	in a hot tub
in a room filled with candles	in the woods	in a tent	in a boat	in front of a fireplace
at the office	On the beach	in the car	with a friend	Under the night skies
