I grew up on a tobacco and cattle farm in KY	certified scuba diver	My Great ancestors signed the Declaration of Independence	I am afraid of Spiders	Was born in Sao Paulo Brazil
spent a summer living in Alaska	I applied to Ringling Brothers clown college in Venice FL	I've had interesting one-on-one conversations with people such as Bill Clinton to Peyton Manning	I'm fluent in Hungarian.	Veteran & hunted submarines
I'm related to Madonna	My grandfather was the only married Catholic Priest in the United States.	I was a DJ on radio for many years	Loves windy nights	I draw a picture every year for my Granddaughter to have as a keep sake
Stopped counting after 25 moves	I have jumped out of a perfectly good plane 228 times with 3 major malfunctions.	used to bowl competitively and have thrown several perfect games	I once flew to NYC for just one evening to have dinner at my favorite restaurant then flew home that night.	I was asked to train in Switzerland for the U.S. Olympic snow skiing team
