

B	i	n	g	o
tried out new hobby during WFH	Put a DND on teams while doing personal work at home/Power nap	e	setting up log off time and sticking to it for a week	logged in before 9 for 3 days in a row
b	took a break to play online game with teammate	pretending to be on mute because you have no idea what's asked	a	spent a working day without saying am i audible /is my screen visible
was sure about bonus and increment amount and it was right	avoided a meeting giving connection issue excuse	getting horrifying dreams of office reopening	gone to vacation turned into workcation	speaking in a meeting while my mouth is full
got dressed formally for a whole working day	said "i have to join another call" just to get over with current call	f	missed cafeteria	avoided a scheduled meeting to finish the office gossip
shared wrong screen accidentally	c	woke up with a status call	d	forgot to turn off text notification while screen sharing
