Someone else's place	"Rise" and shine sex	In the Camper	Road head	Kinda public place where you might get caught
Getting Handsy	She went down	On the couch	Did it without taking all your clothes off	Random Furniture
Sent Nudes	You did all the work	FREE	Flashed the goods	In the Truck
In the bathroom	Round Two	In the bed	In the Shower	Made the wet spot
In the Kitchen	From Behind	Outside	You were on top	He went down
