registration not working	12 days being virtual again	In-person activities/classes being canceled	having your 5th cup of coffee in 12 hours	forgetting to go to an in-person session
Getting covid for the first time	questioning if you'll actually pass the CBSA	getting a booster vaccine	Being behind before the first week is over	having to tell your preceptor "uh I'm not actually allowed to do that"
pulling an all-nighter during the first two weeks of the term	toxic anon doc	FREE	Dr. Udden being passive aggressive	another pool/smash/anything tournament
arriving to exams in your pj's	pizza party canceled	being pimped at preceptor	actually needing to bring your own otoscope/opthalmoscope to preceptor	forgetting to turn in an assignment/quiz
Still not getting new lectures	Dr. Udden going over 50 min	getting covid for the second time	zooming in for an elective that doesn't start yet	Having an MS2 meeting that could have been an email
