

I've had SEX

with a fat guy/girl	at a hotel	in public	on a staircase	in the woods
in front of a camara	on top of the roof	in your front yard	at the office	on top of a washing machine
with a friend (same sex)	in a church	FREE	in the rain	in the shower
on the couch	in the toilet seat	on a plane	in the bathroom at the club/restaurant	in your child's bed
in every room of the house	on the beach	in front of another couple/person	with someone you wish you never did	in outside near a fire pit
