I've had SEX

while someone watch	at a friend's house	in public	on a staircase	in the shower
in a open field	on top of a washing machine	in your child's bed	at a orgy party	on the kitchen table
with a fat guy/girl	at a rest stop	**FREE**	in the car	in the closet
on the hood of a car	in the rain	in your front yard	in the bathroom at the club/restaurant	in the toilet seat
at the movies	on the couch	in front of a camara	with a friend (same sex)	in front of another couple/person
