To my dear friend..	Where do I begin? the start of lifetime of love..	I am so honored to be sharing this day with you	May this day be the beginning of a new chapter in a love story	I raise my glass
I am delighter to welcome..	On a serious note..	I remember when..	A special thank you to..	May all of you share in the happiness of this day..
My greatest wish for the two of you..	To the man who ahs conquered the bride's heart..	FREE	For those who do not know me..	I feel very honored..
I have been so fortunate to spend my life with..	May you always remember this day not as the start of your marriage but	I propose a toast to the bride and groom whose love has brought us together today.	I am thrilled today..	I raise my glass and toast my daughter and the man she has chosen to be her life companion
I am so proud..	Here is to a happy life together..	Let us lift our glasses and salute our beautiful bridal party	to the bride and groom whose love has brought us together today..	I am going to keep this short and brief..
