Wanted more from a one night stand	Asked for sex	Faked an orgasm	Stimulated by nipple play	Gotten hurt during sex
Developed feelings for a sneaky link	Used lube	Have said "that/those is/are too big"	Been sore from sex	Thought of other people during sex
Could not make it "fit"	Given your partner a private show	FREE	Gone out with the purpose of hooking up	Suck a stranger off
Got turned on thinking of someone	Squirt or made someone squirt	Fondled in public	Had sex with friends or family in the building	Flirted with an ex
Couldn't make it "fit"	Cuddled a friend	Have a nude on your phone	Enjoy anal play	Smack ass
