Strategic avoidance of emotional elephant in the room.	"Who burned the got damn turkey?!" blame game	Go away	Someone crying in the bathroom.	Revived Sibling Rivalry from 10 years ago.
Curse word said in front of a child.	Storming out in anger.	Shit-talking about someone in the next room.	Adult assigned to the kids' table as punishment.	Snarky comment about the green beans that's not actually about the green beans.
Someone makes up an excuse to leave before dessert.	The disclaimer before company comes over.	AWKWARD SLIENCE FREE SPACE	Brother sneaks outside to smoke a joint.	Mom hides out from washing dishes.
Overtly racist rant about Obamacare.	Someone gets too drunk and passes out before dinner.	Quiet whispers from across the room.	Merciless teasing of most vulnerable family member.	Screaming fight about grandpa's last wishes.
Grandma smiles and feeds everyone.	Creepy uncle says something inappropriately sexual.	Simmering resentment about the dog getting to sit at the table.	Unnecessarily aggressive knife and fork plate scraping.	Dirty looks between your mom and your uncle.
