"So..."	Awkward laugh	Shuffling noises	"Over."	"Can you email that to everyone?"
Heavy breathing	"Sorry there's a lag."	"I have to jump to off"	Caught not paying attention	"Let's take this offline."
"Sorry go ahead..."	"Who just joined?"	FREE	Echo	Sound of chewing
Speaker voice breaks up	"Please mute your mics."	"Can everyone hear me?"	Someone unknowingly goes off mute	"Can you see my screen?"
Someone speaks over someone	Hear a dog bark	"In my opinion..."	"You're on mute"	Person in background speaks
