I love vegetables more than meat	I am lame...I cannot leave the house without makeup	I have been on a cruise more than once	I love memorizing scriptures	I love chicken feet...don't judge me
I don't know how to swim	I love to dance and I'm good at it	I love hiking...I am a health buff	I can talk all day if you let me	I love meat more than vegetables
I love playing games on my cell phone	I speak more than 2 languages	FREE	I consider myself an extrovert	I have natural beauty...I can leave the house all naturel
I have traveled to more than 5 countries	I love my job...been in the same field for at least 5 years	I love animals and have a pet at home	I have lived outside the USA for more than a year	I love eating food with my bare hands
I have green thumb...plants just love me	I delivered more than 2 children and I still got it	I love ice cream and can eat it everyday	I was born outside the USA...can you tell?	I found Jesus in my 20's and I still love Him
