When someone says "HEY".	Everytime you hear a country song.	If someone says "its hot"	When Tash uses the Dyson.	When Brad pees outside.
If someone does a bomb dive in the pool.	When someone opens a softdrink can.	When Luci goes crazy.	If a drink is spilt.	When someone asks "What's the time?"
When someone says "What?"	If it rains.	If you hear a motorbike down the street/road.	If you see a lime in a drink.	When rubbish goes into the big bin.
When 'All I want for Christmas' plays.	When Luci is sleeping.	If someone vomits.	When Courtney says she is getting Blair.	If somebody burps loud.
When Terri sneezes.	If someone falls asleep.	When you hear a dog bark.	If someone has chocolate on their face.	If you hear "How to make Gravy".
