

B	I	N	G	O
When I retire	Adult cries	I hope that is the right size	That's what she said	Someone makes up an excuse to leave early
Does he/she know me at all	We already ate	Someone sneaks outside to smoke	Cause that's how Papa did it	Sorry I'm late
Wanted you to have something to open	Where is Cole/Shane?	AWKWARD MOMENT FREE SPACE	Curse word said in front of kids	Quiet whispers from across the room
Shit-talking about someone in the next room	This one doesn't have onions/cheese	Someone gets drunk before dinner	Kid gets hurt	Someone says something sexual
I told Kathy/Randy the shitter's broke	Dirty look/eye roll	Someone spills a drink	Why didn't you wear PJs?	I didn't do much I had to work
