The sun was smiling	Crackle	I am as cool as a cucumber	The house is as tall as a mountain	She is as skinny as a toothpick
Her brain is the size of a pea	The sky was crying	Snap	He is the clown of the family	The clouds were marshmallows
The leaves were dancing in the wind	The test was a piece of cake	FREE	He soared like an eagle	Pop
She is a chicken	The kids are monkeys on the playgournd	She is a ray of sunshine	My skin was as red as a tomato	She was a quiet as a mouse
I am as hungry as a horse	He spilled the beans	The classroom was a zoo	When pigs fly	Her smile was a mile wide
