Visited at the front desk for a minute	A coworker brings in a treat for everyone	Computer crashes	Someone thinks it's too cold	Made a tea
Client does not respond to email/call	Too busy to get water	Received over 5 emails throughout the day	A coworker shared a funny client story	Someone thinks It's too hot
Too busy to get lunch	Was on the verge of a mental break down	FREE	Ate a chocolate bar	Had to print out a document
Came in the office to 10 emails	Hear your coworkers music playing	Spoke to someone working from home	Made a coffee	Take a walk/Stretch
Double-check your desk ergonomics	Missed a call	Did a favor for another employee	Ate a snack at my desk	Shared on a 'Cornwall Virtual Office' page
