My very first job was picking Blueberries	Both my older brothers are adopted.	I danced in the orange bowl halftime show in Florida my senior year of high school.	I won an Emmy in 2020	I ran a 5 minute 3 second mile in high school.
I am very afraid of wild turkeys!	I'm originally from Virginia	I tore ligaments in foot while walking an imaginary plank (on a VR game)and now still will not walk the plank a year later.	Grew up in a home that fostered over 287 newborn babies.	I was a tour guide for the USS Silversides
I've never had a broken bone.	This is my first and only job.	**FREE**	I am a Top Gun MEGA fan!!	I have stood on the bridge where Prince Ferdinand was shot that started WWI.
I have visited the National SPAM Museum-on purpose-and enjoyed it	I worked on a chicken farm loading chickens for Campbell's soup and packing eggs when I was 14 and 15 years old.	I love returning pop cans.	I drive a 2005 mini van and I love it! and I've lived in 4 different countries!	I took baton lessons and "twirled".
I did a short stint of modeling when I was in my 20's.	I am related to Jeff Gordon. He is my Dads cousin.	I trained raptors professionally for 5 years but not like Chris Pratt.	Took a Selfie with Murr from Impractical Jokers.	I collect Tiki Mugs some of which are custom one of a kind.
