

Occult Bingo

You've made gifs out of images from Splendor Solis or the Voynich Manuscript	Astral Entities have told you you're the Chosen One or the Antichrist (Spoiler alert: they say that to everybody!)	Have been or fantasized about being on the Joe Rogan Experience	The Tulpa you created is kind of a dick sometimes	Polyamory is okay for you but not for your significant other
Female Style Icons: Stevie Nicks Morticia Addams Pamela Colman Smith Eminem	You know dare and will but can't be silent about it	Pro-drug except for psych meds	Conservative Christian childhood or upbringing	Self-published Grimoires
You have costs of Florida Water Incense Candles Colored Ink and Parchment in your monthly budget	You've masturbated to a photo of Jack Parsons or Genesis P-Orridge	FREE	Convert in middle age to Tibetan Buddhism Roman Catholicism or Islam (Sufism)	Know more about the Tate/LaBianca murders than you can say
Male style icons: Anton LeVay Jordan Peterson Gerald Gardner Wavy Gravy Taylor Swift	Used Google translate for Magickal Motto or name or just stole one of Crowley's	Never enough babies to eat	Have googled 'How to remove candle wax.'	Pretend to like Aleister Crowley's poetry
Have corrected someone's pronunciation of "Athame "	Dissociative Identity Disorder is not a bug but a feature	Reinarnation of Eliphas Levi or Elizabeth Bathory	Your best friends are all books	Have been excommunicated by the Caliphate OTO or Church of Satan
