You drink before noon	Buy street meat	Kiss a stranger	Take off/wear a stranger's clothes	Sing all the words to a country song in a bar
Give somebody the wrong name	Use the men's restroom	Someone's phone dies	Flash someone/nip slip	Take a selfie with a stranger
Touch the mustache/beard of a stranger	You laugh so hard you pee	FREE	Get a stranger to buy you a drink	Run into somebody you know
Shotgun a beer	Tip a drag queen	Sing a karaoke song	Pee in public	Someone asks for your number
Malia talks to you about astrology	Get lost or separated from the group	Take a drunk selfie with a statue/monument	You lose your phone	Hit a stranger's dab/vape pen
