

BAD MOM BINGO"Have you ever.."

Used TV as a Babysitter	Been caught in the act by your kid	Had a mommy meltdown	Posted a pic of your kid on facebook that you regret	Lied about your kid's age for a discount
Forgotten school picture day	Stepped on a Lego with a barefoot	Made a meal that no one wanted to eat	Bribed your kid to do.. anything	Sniffed your kid's but in public
Wine or sushi after conception	Dropped the f-bomb in front of your kids	FREE	Left a house bra-less	Let your kids eat food that fell on the floor
Skipped shower to avoid being late	Lied about eating your kid's snack	Phone at Park	Happy meals for lunch	Lost your patience and yelled
Fantasised about sleeping	Pre-K knows a 4-letter word	Given your kid candy in a morning to avoid tantrum	Won't buy them a puppy	Glass of wine for lunch
