Creek Summer Bucket List

Went to see a movie... in the middle of the day	Answered "I have no idea" when asked what day of the week it is	Finally joined the gym AND actually went	Went a full 24 hours without thinking about anything school-related	Took a long nap and did not feel guilty about it
Cleaned out or decluttered a closet or area you've been putting off	Went to Target and bought NOTHING for my classroom	Used the bathroom whenever I wanted	Ate lunch without rushing or being interrupted	Watched at least 5 hours of Netflix back-to-back
Went on a vacation outside of Florida	What summer?! Worked summer school with Mr. Calero	BELIEVE. BUILD. BLOOM.	Called (not text)a friend that I haven't spoken to in a while	Spent time with family
Stayed in my pajamas ALL. DAY. LONG.	Went for a drive with no real destination	Stayed up past 8:30 PM	Read a book that had nothing to do with teaching	Turned off my alarm clock
Had myself a spa day...or two	Caught up on summer reading...at the beach!	Visited a local farmers' market or a place to pick your own fruits or veggies	Wore the same clothes two days in a row	Enjoyed a cold "adult" summer beverage of my choice. I earned it!
