

BINGO ACTUALLY

Bingo Call Sheet

This is a randomized list of all 49 bingo events in square format that you can mark off in order, choose from randomly, or cut up to pull from a hat:

Plumpie	I'm just Judy	Oh shut yer face	Anything to put off actually running the country	Love actually IS all around
Life is full of interruptions and complications	Now I've gone and said shit - twice	All I want for Christmas is you	Ten minutes at Elton John's and you're as gay as a maypole!	Send an embarrassingly big car and I'll be there!
I think about you all the time actually	David Beckham's right foot	It's OK I know a short cut	No she lives next door	First Lobster
Would you like it gift wrapped?	That'll never make number one	I'm on shag highway headed west	A tiny insignificant detail	Wandsworth - the dodgy end
I think about you all the time actually	Yes I have Ant or Dec	Just in cases	The total agony of being in love	Without hope or agenda
Alone again - naturally	Is the new Prime Minister in trouble already?	Ready in the flashiest of flashes	A golden oldie for a golden oldie	No-one's ever gonna shag you if you cry all the time

BINGO ACTUALLY

Bingo Call Sheet

This continues the randomized list of all 49 bingo events. The bingo squares are aligned on each page to allow for easier cutting.

Let's go get the shit kicked out of us by love	Any chance of a dance with the boss?	A beautiful muffin for a beautiful lady	Hanging round the mistletoe hoping to be kissed	Ruthless trained killers are just a phone call away
The arrivals hall at Heathrow airport	True love lasts a lifetime	To me you are perfect	Whenever I get gloomy with the state of the world	It's come out all blue and wibbly
A smile. A little bow and a wave	It's a self preservation thing	It all hangs on the next song	She's the one	Bring Claudia Schiffer as my date
Yes is being my answer. Easy question.	I am Colin - God of sex.	Solid gold shit maestro	Christmas is all around
