

Chemistry	Digital music recording & creation	Biology	Virtual Reality	POC in STEM fields
Women in STEM fields	Robotics	Nano Technology	Digital Photography	Astronomy
Math Theory	Computer coding	Have a library card	Geology	Algebra
Botany	Creating an app	Physics	General Science	3D Printing
Creating a website	Meteorology	Bioengineering	Science History	Geometry

This bingo card was created randomly from a total of 24 events.

3D Printing, Algebra, Astronomy, Bioengineering, Biology, Botany, Chemistry, Computer coding, Creating a website, Creating an app, Digital Photography, Digital music recording & creation, General Science, Geology, Geometry, Math Theory, Meteorology, Nano Technology, POC in STEM fields, Physics, Robotics, Science History, Virtual Reality, Women in STEM fields.

Digital music recording & creation	Chemistry	Physics	Robotics	Math Theory
Virtual Reality	Astronomy	Geology	3D Printing	Algebra
Computer coding	Creating an app	Have a library card	Science History	Botany
Geometry	Creating a website	General Science	Women in STEM fields	Biology
Nano Technology	Bioengineering	Meteorology	Digital Photography	POC in STEM fields

This bingo card was created randomly from a total of 24 events.

3D Printing, Algebra, Astronomy, Bioengineering, Biology, Botany, Chemistry, Computer coding, Creating a website, Creating an app, Digital Photography, Digital music recording & creation, General Science, Geology, Geometry, Math Theory, Meteorology, Nano Technology, POC in STEM fields, Physics, Robotics, Science History, Virtual Reality, Women in STEM fields.
