

Nurse Bingo Call Sheet

This is a randomized list of all 30 bingo events in square format that you can mark off in order, choose from randomly, or cut up to pull from a hat:

new orders to complete	call the doctor	switch out glucometers	first dose from ER kit	never-ending charting
this is their home	complete those dialysis assessments	Did you do your body audits?	diabetic foot care	fall risk assessment
Essential Workers	turn in your shower sheets	Covid Pandemic	give Potassium with food	roll that insulin
Telehealth is the new norm	shift change	oral care	counting narcotics	change dressings
is the o2 concentrator setting correct	there is no I in team	admissions	assess vital signs	Braden Scales
fill out daily assignment sheets	behaviors speak volumes	Tube Feeding pump is beeping	check your MARS	record accurate blood sugars
