Bingo Call Sheet

This is a randomized list of all 24 bingo events in square format that you can mark off in order, choose from randomly, or cut up to pull from a hat:

"We want to make sure you get out of here on time"	COMPASS	Someone leaves early	Someone is grading papers	"Rigor"
Someone's phone rings	There are snacks	Dress code	Someone mentions an acronym	Meeting runs late
New students are mentioned	Meeting ends early	Someone makes an inside joke	Someone isn't wearing a mask	Technical issues
A comment is made to everyone but it is clearly meant for one person.	Music is playing	Something is mispronounced	Something is discussed that could have easily been an email	Attendance is discussed
Someone can't stop coughing	Someone makes a joke	Someone asks a question that only applies to them	Grade books are discussed
