

Chemical Bonds Bingo Call Sheet

This is a randomized list of all 26 bingo events in square format that you can mark off in order, choose from randomly, or cut up to pull from a hat:

Metallic	ionic bond	6	isotopes	matter
5	elements	grow/develop	van der Waal	reproduce
compounds	NaCl	nucleus	transfer	homeostasis
proton	valence electrons	periodic table	atoms	mass
molecule	covalent bond	ions	electron	share
neutron
